Bespoke Interior Lamps

for automobile enthusiasts

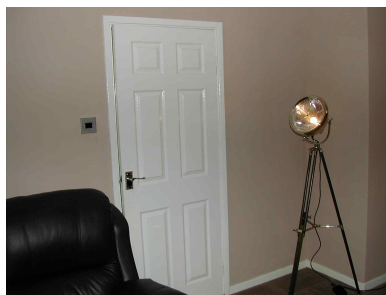

Hand crafted vintage automobile lamps for use in the home, study, studio or garage. In this example a P100R headlamp is mounted on a wood and brass tripod. This lamp is usually mounted on vintage Rolls Royce, Bentley, Alvis and Lagonda automobiles.

The lamps are fitted with 12V 50W halogen bulbs and the unit is powered by a 12V low voltage transformer.

Approximate Dimensions
Footprint diameter 28" (710mm)
Lamp height 39¾ to 59" (1010 to 1500mm)
Lamp Depth (front of lamp to back of handle) 10" (255mm)

Vintage Headlamp Restoration International Ltd was founded in 1992 by silversmith Peter Appleyard. VHR is housed in purpose built workshops with the facilities to offer concours restoration and replication services to vintage and classic automobile enthusiasts.

International contracts account for more than 60% of VHR's orders. Traditional skills appreciated worldwide.
