

# VINTAGE HEADLAMP RESTORATION INTERNATIONAL Ltd

## Le Mans Headlight

The Le Mans classic car lights were fitted as an extra to MG's, Aston Martins, Austin Healeys, Jaguars etc. They were fitted to cars that raced in the 24 hour Le Mans Race in France. If you wish to dress up your car what better way than to fit these Headlight Units. The lamps are fitted with 12V 50/40W British pre-focused bulbs.

Vintage Headlamp Restoration International Ltd was founded in 1992 by silversmith Peter Appleyard. VHR is housed in purpose built workshops with the facilities to offer concours restoration and replication services to vintage and classic automobile enthusiasts.

International contracts account for more than 60% of VHR's orders. Traditional skills appreciated worldwide.
